Subject: BULLETIN : DP WORLD INDUSTRIAL ACTION NOVEMBER 2011

The following industrial action notifications have been received from Maritime Union of Australia (MUA) . Actions will take place at DPW terminals as listed.

The action has resulted from the failure to reach any resolution during enterprise agreement negotiations between DP World Australia and the MUA. These negotiations have resulted in a degree of frustration for both parties and the MUA is now taking industrial action.

We will endeavour to minimise delays. However there will be an inevitable loss of productivity that will further compound the ongoing delays being experienced in an already congested port of Sydney. This situation will have a similar effect to a lesser degree on activities in other states.

Brisbane : Effective 7.00 am Wednesday November 2nd to 7.00 am Thursday November 3rd.

Sydney : Effective 10.30 pm Friday November 4th until 10.30 pm Saturday November 5th

Melbourne : Effective 6.30am Sunday November 6th to 6.30 am Monday November 7th.

Our staff will speak to you individually with reference to particular shipments and container availability from these depots.
