Subject: BULLETIN : OCEANFREIGHT PEAK SEASON SURCHARGE : EX ASIA 15TH AUGUST 2011

In our July bulletin, we advised shipping line intentions to implement a Peak Season Surcharge (PSS) mid August. This has now been implemented..

We were reasonably confident through ongoing discussions that this could be implemented at a reduced quantum despite the fact that each line had been reluctant to commit prior to the date.

At this stage we confirm that the lines have now implemented a PSS at a reduced level, albeit at different levels for each shipping line.

Peak Season Surcharge guidelines effective 15th August 2011.

LCL : USD 6.00 - 8.00 per cbm.

20 GP Container : USD 100.00 - USD 200.00 per container.

40 GP Container : USD 200.00 - USD 400.00 per container.

The applicable PSS for your shipment will be billed as a separate level on your invoice.

Should you have any queries please discuss directly with our customer service team.
