Subject: FW: BULLETIN: TRUCKING COMPANIES

Dear Customers,

Due to the recent increase in insurance claims and health and safety issues, we have been notified by Trucking Carriers that upon consultation from their insurance companies, their drivers are no longer allowed to assist with the loading and unloading of containers. We suggest that all relevant staff are made aware of this and necessary action taken to ensure persons are available to load/unload on truck's arrival.

kind regards,

Diane Cremona
Assistant to the Managing Director
