Subject: BULLETIN : UNITED STATES AMERICA : UPDATES : INDEPENDENCE DAY HOLIDAY + AIRFREIGHT SPACE

Cargo space is being effected by the US summer season. Increased passenger loads has seen space for cargo become hotly contested resulting in delays on normal transit expectations.

Carrier space to Australia has been particularly effected over the last weeks. We understand the urgency of your cargo and we are endeavouring to use our strong carrier relationships, at both origin and destination levels, to resolve these issues.

Please also note business closures will be in place to observe Independence day Friday 3rd July and Saturday 4th July. Please discuss with your suppliers and should you require assistance for particular shipments pls contact our office directly at your earliest opportunity.
