Subject: BULLETIN : OCEANFREIGHT : GRI 21/09/09 NORTH/NORTH EAST ASIA TO AUSTRALIA

Shipping lines have announced a proposal for a further General Rate Increase (GRI) to be effective 21st September 2009. Details are listed below, for all oceanfreight cargo ex North and North East Asia.

LCL : USD 12.00 per cbm

20 GP Container : USD 300.00 per cn

40 GP Container : USD 600.00 per cn

The continuance of restricted space has virtually ensured that the proposed increases will be upheld for the peak season shipping period.

For those willing to sacrifice transit times we have canvassed indirect service options via Singapore and/or other transshipment ports. Should you wish to seek further information on these services please contact our office direct.
