Subject: bulletin : QANTAS : SHA TO AUS RATE INCREASE AUG 09 : DECREASED SCHEDULE EX SHANGHAI TO AUS

Please note notification has been received from Qantas of the below schedule changes ex Shanghai to Australia.

We have also received notification of a price increase effective 1st August 2009 for remaining Qantas flights on this route.

Cancellation of QF130

Friday 7th August 2009
Wednesday 12th August 2009
Monday 17th August 2009
Wednesday 26th August 2009
Sunday 30th August 2009

As cargo volumes ramp up, the above removal of available cargo space will have a negative effect on overall airspace capacity ex Shanghai and results may be that demand will not be met by supply, and transit times may be effected.

To ensure we can do our utmost to satisfy our clients space requirements in this climate, it is essential that suppliers make bookings as early as possible. We seek your cooperation and assistance in this regard.

Qantas airfreight General rate Increase Effective 1st August 2009

All weight breaks : GRI USD 0.22 per kilo

Should you have any queries on the above subject matter please contact our office direct.
